

Gold and the Economy Call August 2009

In the name of my mighty I AM Presence and Holy Christ Self I call to the God of Gold for the ring of gold around my Third Eye as a ring-pass-not. I reinforce it by God-determination to see only purity, to act with discrimination, to be aware of evil but be unmoved and unattached, to be aware of good and yet to know that only God is good.

O God of Gold, help us deal with the equation of greater light and greater darkness and in the midst of this equation, through the cloven tongues of Alpha and Omega, focused in the All-Seeing Eye of God help us to make the calls on the use of gold, the Federal Reserve system, the economies of the nations, the reserves and resources of gold and the uses of gold in these nations. I call for definite plans to come forth from the Darjeeling Council and all of hierarchy, to guide the governments of the USA and the world. I call for a deliberate step-by-step reversal of all that has been created through the secret meetings of Jekyll Island and the formation of the Federal Reserve System.

I call to Archangel Michael for the protection from, and the binding of the mass entities that are vicious and virulent upon earth including the Beast of Wall Street, the money beast, and all of the manifestations of the tentacles of the Money Beast that are recreated daily.

In the name of Jesus the Christ, I challenge the nefarious practices of the International Monetary Fund, the hoarding of the supply of the American people by totalitarian regimes, and their misuse of the sacred fire and their plot, tying up the funds through the international bankers, moving against the United States and all free-world nations economically.

I demand the reestablishment of the flow of the supply and demand of gold, as the abundance of God on earth. Strip us of all doubt and fear, greed and selfishness, that our flow of harmony be unbroken. May our bodies adjust to the vibration of gold to receive the true birth of the consciousness of the Christ.

According to God's holy will let it be done. Amen.
